University of Warwick,
Gibbet Hill Rd,
Coventry, CV4 7AL**

Web: www.abtt.org.uk
Tel: 020 7242 9200
Email: office@abtt.org.uk

As part of ABTT's summer training programme, we are running once again this very popular Pyrotechnics Course to cover operational safety which includes hands-on demonstrations of many pyrotechnic effects. The course is ideal for lighting professionals, students, community theatre technicians, indeed anyone in the entertainment industry who may need to work with Pyrotechnics. The course will provide technicians with an opportunity to update and familiarise themselves with the regulations: Manufacturing and Storage of Explosive Regulations 2005 (MSER). The course is also an ideal refresher and for technicians who have to produce certificates of awareness, to keep themselves 'In date'.

All participants will receive a comprehensive set of notes, and a theatre-related guidance note on MSER. Subject to satisfactory completion of the course each candidate will receive a certificate, signed by the tutor, and one year's free registration to the Association of Stage Pyrotechnicians. *(Please note that smoke will be generated during the day).*

Topics covered include:

- Workshop presentation
- Live device demonstrations
- Videos
- Handouts
- An Observation exercise
- Delegates pressing buttons
- History
- Accidents
- Flame Proofing
- Maroons & Concussion – Bomb Tanks
- Flashpots
- Jets and Gerbs
- Series Wiring
- Testing
- Paperwork
- Law
- Storage
- HSE Competent Authority Documents
- Risk Assessments
- Material Safety Data – COSHH
- Transport Emergency Cards – TREM

Tutor: Lincoln Parkhouse of Just FX

NB: All payments are non-refundable; please contact ABTT as soon as possible if you anticipate any problems in attending the course for which you have booked and we shall do our utmost to assist you in finding a suitable opportunity to participate in the training you desire.
