

# Dragonfly Productions is looking for people to take part in a new popular history and engineering series for Channel 5...

---

Are you a die-hard engineering enthusiast? Do you have the skill and ambition to recreate historical innovations?

“Beat the Ancestors” is a new, exciting series that sees a team of modern-day men and women battling against history’s most ingenious minds.

Their challenge: to rebuild iconic inventions that changed history: from siege engines to gunpowder mills, early automobiles to invasion crafts.

The ultimate test: can they use their modern knowledge to improve on the original design?
